DCM Report 2-16-2012

Welcome to everyone involved in District 7 – for those of you not here tonight, we hope to see you soon!

It's been a hectic month but a good one as far as getting some work done. I was able to attend the Area Workshop Jan. 21 and 22 in Brainerd. Our district completed a presentation on Social Websites. It was well received and generated quite a bit of discussion. I'd like to thank Bob, Eric, and Sheldon for participating. Bob and I will be doing a similar presentation next month at the WCRSC in Billings, MT.

I would also like to thank all the volunteers who helped out at the workshop. The hospitality was fantastic. It was also great to see many folks from our district in attendance. Great job by the district!

I attended the DCM sharing session and Patti and I came away with some good ideas on how to generate more interest and participation in the district. A big thing we need to focus on is getting out to different meetings and we're planning to get going on that real soon. We could use help doing that. I know some members have already begun doing this and getting contacts for the district which is great – thank you very much!

I have just received the preliminary GSC agenda items and have copies here. I have not thoroughly reviewed the items yet but will very soon. In addition, I will be at the Area Committee Meeting in Aitkin on 2/26. It starts at 9 AM and all district chairs and GSRs are welcomed to attend. We'll be covering some important Area business.

I am planning on attending the WCRSC in Billings, MT on 3/2-3/4. If anyone is interested in attending but has not made arrangements yet, let me know – I may be able to help.

GSRs should be thinking about the upcoming conference and getting agenda item discussions scheduled with their groups so the group conscience's can be brought to the district. More to come soon – thank you!

In Service,
Neil F.
