July 2011

DCM Report 7-21-2011

It's mid-summer and the heat is on, there are many people from out of town visiting our area. Many are alcoholic's looking for meetings, its important to get the schedules out and be ready to aid them in any way we can to get them to meetings.

The planned changes for the Central Lakes phone line experienced a slight problem and we had to go back to the drawing board in our planning, but last word I received was we might be back on track. I am looking forward to our discussions tonight and am optimistic.

Coming up we have two big events for the district, there is the annual picnic this July 31st at 11am at Lum park in Brainerd and the Crow Wing County Fair August 2nd through the 6th where we will be have a booth.

District 7 is the local AA General Service Office connection and is responsible for keeping the AA phone line, the meeting list, and assisting the groups with acquisition of literature and pamphlets, working with treatment facilities and jails, and a list of intangibles that go unnoticed. We are made up of a small minority of the more than 70 groups that make up the district. We rotate out of our positions every 2 years. This year will be the end of our terms and it is important that groups get involved and help to keep the District viable. I look forward to seeing you at the next District 7 meeting held every 3rd Thursday at 7:00pm at the 1st Congregational Church at the southwest corner of Gregory Park in North Brainerd.
