June 2011

DCM Report 6-16-2011

It is a pleasure to work with the interested and motivated people that come to the district meetings and help maintain the AA service structure in central Minnesota. Some of the things we are working on are;

- Planning for our annual picnic this July 31st at Lum Park in Brainerd,
- Getting ready for the fair booth at the Crow wing County fair August 2nd through the 6th,
- Working on moving our Central lakes AA help line to a new location and changing the way we man it, by increasing the number of shifts and expanding the pool of volunteers, it will be very similar to District 13's set-up,
- We are also planning a CPC luncheon for the fall, October 11th,
- Bringing AA to the professionals in different ways than just a luncheon
- Looking into more and better ways to use the pamphlets and AA literature,
- We are looking into creating and maintaining our own website.

To all interested people, service work for the AA district and area is service work for the AA General Service Conference it allows us to participate in the general oversight of Alcoholics Anonymous. It helps us in our transformation from the lost drunk we once were, to people who can truly experience the step nine promises. The district meetings are as fulfilling as a regular AA meeting and even more so when we are accomplishing our tasks. The positions we will be replacing this fall are, District Committee Chair, Alternate District Committee Chair, Treasurer, Secretary, Corrections Chair, Literature Chair, Public Information and Cooperation with the Professionals Chair, Treatment Chair, Grapevine Chair, and Archivist. You should have one year of sober time, and have been a General Service Representative for your group if possible: exceptions have been made. The term for each position is 2 years and starts on the first of the year.

I look forward to seeing you at the district meetings held each 3rd Thursday of the month at the First Congregational Church at Juniper and Fifth in North Brainerd, at 7:00pm.

Reading Recommendation this month is the AA Service Manual.

Thanks,

Your's in Service - Gratefully
Mark N.
